Notice of Public Open House: Russell Carter Tefft Pedestrian Bridge

DATE: Wednesday, January 24, 2024
TIME: 5:30 to 7:30 PM
LOCATION: Markham Museum, South Gallery
9350 Markham Rd, Markham, ON L3P 3J3

Dear Resident:

Ward 4 Councillor Karen Rea, Ward 6 Councillor Amanda Collucci, and the City of Markham Planning and Urban Design Team invite you to attend a community open house being held at the Markham Museum (South Gallery) on January 24, 2024 from 5:30 to 7:30 PM. There will be a display of panels for the design of **Russell Carter Tefft Pedestrian Bridge** and staff will be on site to answer any questions that you may have.

Following the public open house, all presented conceptual panel boards will be uploaded to markham.ca/ParkConsultations. Residents are encouraged to participate in a short survey and submit their comments to the Parks and Open Space Development Coordinator by February 8, 2024.

Construction of the bridge is set to begin in July 2024 and, pending the influence of inclement weather or any other logistical impacts, the bridge should be open for the community in Fall 2024.

For further information, or if you have any questions, please contact Oksana Negorutsa, Parks Development Coordinator at onegorutsa@markham.ca. We look forward to seeing you on January 24, 2024.

Thank you,

Oksana Negorutsa
Parks and Open Space Development Coordinator
