Dear Residents,

I would like to invite you to a community information meeting to discuss the application for 44 Rouge St. The applicant has applied to sever the property to create one new residential lot. The proposal is to build two new homes which will require variances from the Infill Bylaw 1229/99-90.

The purpose of the meeting is to engage the local community to provide feedback to the owner and the consultant prior to the Markham Heritage Committee Meeting.

The applicant will be present at the meeting to provide an update on his proposal.

I look forward to seeing you at the meeting.

Regards
