

## Notice of Public Information Centre #1 Main Street Markham (between 16<sup>th</sup> Avenue and Bullock Drive) Traffic Calming Initiatives

---

### THE STUDY

The City of Markham is undertaking a feasibility study and detailed design for proposed traffic calming initiatives on Main Street Markham between 16<sup>th</sup> Avenue and Bullock Drive.

At this section, Main Street is a four-lane undivided collector roadway with sidewalks on both sides of the road. The posted speed limit is 50 km/h, although operating speeds are higher. The objectives of the study are to improve safety for all road users, including addressing speeding issues, collision reduction, and enhancing pedestrian and cycling infrastructure where feasible. Pending budget approval, improvements will be implemented in 2025.

### DATE & VENUE

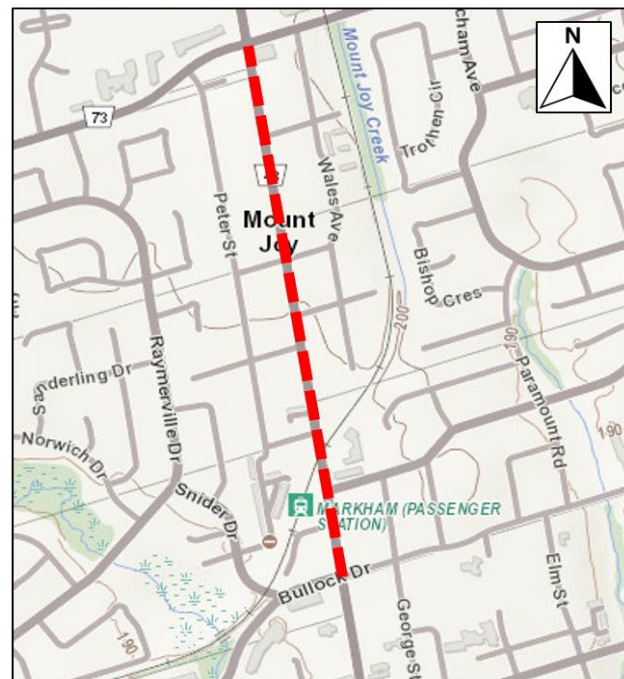

Public Information Centre (PIC) #1 is scheduled for **Monday, January 29<sup>th</sup>, 2024** from **6:00pm to 8:00pm** to be held at the following location:

#### **Markham Village Community Centre (Lounge)**

6041 Highway 7  
Markham, ON L3P 3A7

The PIC will provide an opportunity for the public and stakeholders to review the design options under consideration and to provide input and comments. If you are unable to attend the PIC in-person, comments can also be provided at the project webpage:
